

Statute & Rules Review Workgroup
Development Statute Subcommittee
July 16, 2007

This meeting was devoted to final discussion of the recommendations proposed at the June 25, 2007 meeting. Final recommendations were agreed upon which include:

1. Conversion of the current application process to a registration process as briefly described in the June 25th meeting notes.
2. Establish a Preliminary Public Report process.
3. Propose changes to the Subdivision and Unsubdivided Land statutes that relate to the regulation of the sale of Unsubdivided Lands.
4. Resolve the conflict between the City and County/ADRE definitions of subdivision in Title 9 & Title 32.
5. Modify existing exemption provisions.
6. Draft more statutory exemptions

A draft report for Commissioner Wercinski will be prepared for review and acceptance at our final workgroup meeting on August 6, 2007.
